

Poster Presentation Evaluation

While at the conference you will visit other posters and evaluate their effectiveness. Select three different posters from individuals other than Indian Lake and evaluate them based on our discussions of good poster design. You will turn these papers in for a grade when we board the bus.

Poster title _____

Attractiveness: the poster is attractive in terms of design, layout and neatness

Graphic Design: all graphics are related to the topic and make it easier to understand. Graphics are easily viewed and identified with captions

Required elements: the poster includes an abstract, introduction, method/procedure, data, results, conclusion and literature citation

Content: looks logical

Mechanics: spelling, capitalization, grammar correct

Oral presentation: person by poster, good eye contact, easy to speak with
